Well it is a new year and I hope everyone had a great holiday. I know each of you got a new motorcycle for Christmas and cannot wait to ride.

I need to take this chance to thank each and every one of the 2012 officers for the time and service they gave to our club. They stepped up at a time that not many people would have wanted too (Should I say they were thrown into their position's whether they wanted it or not.) But they did take what was given them and made the best of it. I for one am proud of each and every one of them and the job they did for JAXHOG.

Now we have a new year and a few new officers to start it with. I want to thank the club members for electing me and giving me a chance to serve this group of fun loving Harley Davidson motorcycle riders.

As the New Year kicks off we have another overnight ride planned and are looking to see each and every one of you on the ride.

We are lucky to have Kim working to keep the cost down for us on these rides. Please let us know if you want to see the overnight rides continue. We are looking at trying to do one each quarter.

We are working with the Adamec dealer to get all of the rides and events for the year on a calendar so that we can plan out a year of rides and fun activities. As soon as we get this we will post it so you can mark your calendar so you won't miss any of the special events.

As you know Joe and Missy have put together a fantastic trip to the Harley Davidson Museum for some lucky member. They are going to give 2 trips away: one to the members of JAX and OP HOG group and one to the general public. You get an entry every time you attend an activity or ride so attend often to get as many chances as you can. HOG members are not eligible to enter the drawing for the general public. Joe and Missy have worked very hard to bring us this chance for such a GREAT prize. Thank you for giving us a chance to win such a trip.

Director's Corner from page 2

I have to stop and THANK each person that has taken on the challenge of being a new officer. Almost every person that I went to and asked to take an office was willing to do so without even questioning what they were asked to do. This makes me very proud of the quality of the members that are in JAXHOG.

We are working thru some problem with our club e-mails and Facebook that we hope to have fixed in the near future. We are also looking at getting it where you can use your smart phone and even use Twitter in the near future.

Well enough from me for now but if you have any questions or requests please feel free to contact me. My e-mail is hartsutton@aol.com

HAVE FUN AND RIDE SAFE

From the Assistant Director

Jeanne Brelsford, Assistant Director

Happy New Year! And what a year it is going to be for us. Your newly elected officers are starting the year with a calendar full of rides and fun. I want to thank everyone that volunteered to assume an officers position, and I look forward to working with each and every one of them. We will be attending Harley Officers Training early in this New Year. I appreciate the time and effort that Harley puts into creating these training sessions, and I cannot tell you how much information is shared amongst Chapter officers. Harley has found a good venue to share lessons learned.

We have members that are currently, and quickly, becoming Road Captains. Our Road Captains work hard, ride pre-rides and sit around dreaming up different routes to take us all to some of the best restaurants or attractions that our area has to offer. Some of our rides are short, while others are longer, that is the whole idea behind this great club. Everyone is different, and everyone should have an opportunity to enjoy a Chapter ride. They are as diverse as our Road Captains, and many of them have surprises waiting for us at our destination or along the way. I sincerely hope that each and every Chapter member can find the time to join us on at least one event per quarter. I know that our Chapter is full of very busy members but, what fun would it be if you can't find time to spend with your fellow Harley enthusiasts. I would be negligent in my duties if I failed to remind everyone that we will be looking for volunteers, and I mean that, those of you who truly enjoy helping with events for people who are not quite as fortunate as we are.

And last but not least, keep the rubber side down.

Ballbuster Corner

Chris Kiernan, Head Road Captain

On vacation for the holidays. Hope everyone had a great holiday and were able to get in some rides along with spending time with family.

Stay tuned on Ballbuster Corner as our Road Captains will be providing information on current and upcoming rides.

Remember...
Ride like you are invisible.

ROAD RULES

- Make sure your bike is mechanically ready and arrive FFEB (fed, fueled and empty bladder).
- Arrive well before the posted leaving time to hear any last minute changes and directions from your Road Captain.
- Never pass the Road Captain. He/she has been given the responsibility to lead the group.
- Stay in the same lane as the Road Captain, riding in a staggered formation where appropriate-never side by side.
- On winding roads, corner as you normally would, allowing plenty of room for the other riders.
- Keep to the road speed limits; regularly checking the person behind you is in view.
- Always signal your intention to change lanes; keeping a safe distance behind the rider in front.
- **DON'T DRINK AND RIDE**

The officers of JAXHOG wish to pass along the reminder that *Riding Safe*** is our primary goal. As a result, the consumption of alcohol before or during any Chapter sponsored ride is strictly prohibited. If you drink before or during a Chapter ride, you will be asked to leave the group and ride on your own.

Chaplain's Corner

A New Year... a Time to Remember

As we end 2012 so much grief exists in the news, so I ask that everyone take a moment and pray for the folks devastated by Sandy, the parents in Connecticut dealing with tragic losses, the Marine who had been unfairly held in a Mexican prison, and all the troops that were away from their families during the holidays.

I also pray that everyone will get to ride more in 2013 and while you are riding use it as a time of reflection and prayer. I find some of my best talks with the Big Guy occur on a quiet section of 17 or an afternoon through the "Old Dixie Hwy"

So embrace the New Year with a positive heart and a will to ride more, after all it's not the End of the World... is it!

Blessings to all in this New Year.

We do not thank you enough for all you do for us but please know we recognize the hard work you all put in and your commitment to our staff. Ladies of Harley (LOH)

Manya McClain, LOH Officer

JAXHOG and Ladies of Harley (LOH) have had a GREAT year! We had a lot of events this year. We started with the Valentine's Party and ended with the Holiday gift wrapping until December 24th. In between we had a Pig Nic, a Second Harvest food drive, Dealer Appreciation (each month on the 11th @ 11:00 am), LOH rides each month, a Christmas Party and finally a Christmas Dealer Appreciation Lunch.

I'm looking forward to a bigger and better year in 2013. I am very happy to welcome two co-chairs to LOH, Gayle Day and Talyor Karsner. They will be helping us plan upcoming events. I'm also looking forward to working with Kim Jensen on many events to keep the cost down to members.

Please remember **all** LOH events are OPEN to **all** members!!!

If you have any suggestions, please let me know. We are always looking for something new.

I hope everyone had a wonderful Holiday.

Riding Safely

Bob Holl, Safety Officer

Well now the holidays are behind us; I hope everyone had a wonderful & safe holiday season. As the New Year begins, I am looking forward to being part of JAXHOG as the Safety Officer. I am all for the idea of "ride and have fun" but we must practice **safety** first. As I have become involved with JAXHOG over the past year, I must say that I see safety being practiced on the rides and events that I have participated in. I would like to talk a little about riding to your skill level because pushing beyond it can land you and your fellow riders in trouble. As in life, you challenge yourself, but there are things you can do to lower the risks. Safety rules are passed down by more experienced rider mentors and there are classes that cater to every level from beginner to expert. We should all try to live safely but we all know the "human factor" gets in the way sometimes. I will be looking into some safety instruction for JAXHOG that we all can learn from and participate in. As we go through the next two years I hope that we all can learn how to make safety even more of a priority while doing the activities that we love some much.

It's not an attitude it's a way of life!

Safety First!

Membership News

Rick Reynolds, Membership Officer

Having only been a member of JAXHOG for 2 years, I appreciate the confidence that the Primary Officers have in me by offering me the Membership Officer position. Although I have the badge for the position, we ALL are membership officers, in that each of us know fellow HOG riders that may not be members of JAXHOG. When you are not available to ride with your friends because you are on a group ride, take the time to tell them why you chose to do so. It's easy, it's fun, it's safe, it's cheap, it's mind blowing, its the parties, lunches, overnights, and riding in general. Maybe they'll give it a try and want to join. As a guest of a JAXHOG member, they can ride with us a couple (2) times to see if they like it. Don't forget to invite them for some free coffee and donuts at our monthly meeting.

I dare to say that all of you know Casey, he will be by my side to help me transition to this new position and keep us organized. At the same time, I'll help him transition away from his former Activities Officer position and into his new position with Membership.

Membership renewals are due this month! To qualify for membership with JAXHOG, your National HOG membership must be current. We will make an effort to send you a notification if we are not able to verify the current status of the National membership.

Member Mentors

To ensure we make new members truly feel welcome in our Chapter we have implemented a "mentoring" program. The mentor will be a person that each new member will be able to contact to answer those "this might sound like a stupid question" types of questions. Remember the first time you looked at our calendar and saw all those "closed" rides, how discouraging would that be. Our mentors will provide the encouragement to get out and participate in all of our activities. If you would be interested in being a mentor to a new member please contact Greg Eads at jhog.director@gmail.com.
